

Thank you for your posted my solution to Hard Geometric Problem in Meditations on Mathematics.

I try to writing in English, even though my English is not very well.

About the [utitappidrg@yahoo.co.id](mailto:utitappidrg@yahoo.co.id) this is my mother email.

I wish to introduce myself and also permit for download your posted mathematics articles. My name is Evander Tandiarrang, I live in Bhayangkara Street No. 56 Wamena, Jayawijaya, Papua. My phone number is +62-82198332926. I am a student at SD. Harapan Baliem Wamena, 6<sup>th</sup> Grade Elementary School. My school address in Jln. J.B. Wenas – Wamena, Jayawijaya, Papua.

I am very interested to Mathematics and Sciences. Everyday, I study and try to solve any mathematics and sciences problems.

Sometimes, I search google internet to look for mathematics problems, and on July, 13<sup>th</sup>, 2020, I found the Hard Geometric Problem in Meditations on Mathematics. I am very interested and try to solve the problem, but I failed. The next day in the morning, I continue to solve the problem and success. I am very happy.
